

NOTIFICATION OF INJURY

This Notification of Injury Form is to be used for **accident medical claims**.

****Note: The SAI claim form (Parts A & B) should be submitted to Loomis (address on next page) as soon as possible after medical treatment has been administered for an injury. There is no need to wait until primary insurance or medical treatment has been completed.**

Policies with Excess Coverage

Eligible covered expenses will be paid only if they are in excess of other valid and collectible insurance or medical payment plan. If the claimant is covered by any other health insurance or medical payment plan they must first submit claim to the primary insurance. After the primary insurance has paid benefits, then submit this claim form along with all **EOB's (explanation of benefits)** from the primary insurance.

Policies with Primary Coverage

Eligible covered expenses will be paid regardless of other valid and collectible insurance or medical payment plan. There is no need to submit claim to any other insurance.

Deductible (\$200)

Each claim is subject to the \$200 deductible. If the claimant is paying the deductible prior to submitting any claims for adjudication, please complete the back of this form. This will ensure we will be able to credit the appropriate charges to the deductible. Please be aware, although every effort will be made to match your requests, charges that have been reduced due to discounts, reasonable and customary guidelines, or plan maximums may not be credited towards the deductible.

Claim Form

This claim form must be submitted for each individual claim. Part A must be completed in full by the Policyholder (AYSO) official or a staff member and signed by the **Regional Commissioner and Safety Director**. Part B must be completed in full by the injured person or the parent or guardian if that injured person is a minor and also must be signed. **A fully completed claim form is not necessary when submitting additional medical bills; only one claim form is needed per accident/injury.**

Medical Bills

Attach all medical bills, if you have received them prior to submission. Notify all medical providers – hospitals and doctors – if you will be using this insurance. You may provide them with the name and mailing address to Loomis (provided on next page) when requesting they submit the required billing forms. A physician's office should submit an invoice per CMS 1500. A hospital and/or emergency room should submit an invoice per UB04. CMS 1500 and UB04 are universal billing forms supplied by the physician's office and/or hospital. All submitted medical bills must be itemized for service. **A balance due statement is not acceptable and will only delay processing.**

Information Requests

In the event that a claim is not submitted in full (Parts A & B) or if additional information is needed, the claim will be closed, and the additional information will be requested via US Mail. Please forward the requested information immediately, so that we may finish adjudicating your claim in a swift manner. The explanation of benefits (information request) will be sent to the address of the injured person listed on the claim form in Part (B).

Use the below checklist to assure a properly submitted medical claim is to be sent.
